

BL6 Weekly Bulletin

Week Beginning: 16th July 2018

This week's discussion point:

- If a tutor group is awarded coffee shop vouchers for the best attendance should the tutor be eligible for a voucher too?

NOTICES

Staff

- Please direct students to all the information in this bulletin with priority to these notices and the student meetings on later pages. Please display on the whiteboard wherever possible as the new bulletin often includes pictures / graphics etc.
- Please send any students who you feel may be dressed inappropriately to the Progress Managers' office during morning registration.

All Students

- Please be aware that any holidays taken during term time are counted as unauthorised and students are expected to ensure that they have caught up any missed work in time for their return.

Year 12 Students

- There are a number of events taking place over the next week or so.
 - University Challenge will take place during P1 today (Tuesday) in Se5/6.
 - P3 today (Tuesday) is our end-of-year celebratory rounders match. All students and staff who want to take part are welcome. Any students not taking part please come out to the field to watch and help score!
 - The BL6 Inter-house tug of war competition will be held on Wednesday lunchtime on the field.
 - On Thursday afternoon, lessons will be cancelled so that BL6 students can participate in, or watch, the Inter-house Athletics (Sports Day). Do bring a picnic blanket if you want to sit out on the field in the designated sixth form area. All students are expected to attend.
 - Please let the SU know if you would like to get involved in any of the above and you've not already put your name down. It doesn't matter which house you represent!
- In terms of UCAS, students need to have completed their personal details and education sections by the end of this week. Any problems, ask your form tutor, Mrs Bailey, Mr Maclellan or Mr Garnham.
- Students are reminded that the doors of the bottom of the stair well by Mrs Hughes' Room (Le1) are emergency fire exits and should not be used unless it is an emergency.
- Quick reminder about nose piercings – they are still prohibited!
- This Wednesday afternoon is compulsory for all students. Some of which are taking part in Chemistry enrichment and there are a list of names attached to the bulletin of students who are to attend a series of talks arranged by Ms Morrison as they have indicated that their future destination is possibly an apprenticeship, or they are unsure, or we believe they would benefit. If your name is not on the list but you would like to go along then please do so. They are being run by Poole Alcock talking about a Legal Apprenticeship Pathway; AO talking about their scheme - logistics, customer service, business admin; Trak Global talking about car rentals/insurance; Sainsbury's talking about the retail industry.

- Please make sure you continue to make progress on your personal statements. Tutors will require finished versions relatively soon into the new academic year so it is important to get ahead now!
- Over the summer, make sure you put aside some time to continue working on your EPQ. Remember that the final EPQ deadline is **Friday 14th September 2018**. See your tutor this week if you need further guidance.
- *School finishes next Wednesday, 25th July, and you **do not need to attend Wednesday afternoon** on that day unless advised otherwise. This is the last bulletin of the year.*
- *Enjoy your summer holidays and make sure you do have a break. A little bit of work is good but it's important to also recharge your batteries and be well rested for the demands of Year 13. Remember to look after yourselves and stay safe and we'll see you all again in September, raring to go!*
