16-19 Bursary Scheme

Students who are in full-time 16-19 education from September 2018 are entitled to apply for funds under the '16-19 Bursary' scheme.

A Vulnerable Bursary is available to all young people who meet the general eligibility criteria as set out in this policy and who have been identified as being most in need, as set out in this policy.

The next level is a discretionary bursary for those families facing genuine financial difficulties. It is structured to support families who are in receipt of Free School Meals and those households whose income is below the levels required to receive working tax credits or other benefit payments. Due to limited funding and open application, the amount will vary year on year.

Each student or family who is approved for a bursary payment will also have to meet other criteria, stipulated by Brine Leas Sixth Form. These criteria will be shared clearly before a bursary is approved and are based on levels of attendance, academic progress, attitudes to learning, behaviour and attainment.

Payments will be made, following the initial qualifying period of six weeks, via the BACS system direct to the student's bank account, bi-monthly in arrears throughout the academic year, based on eligibility and successful completion of the qualifying criteria. There is no closing date for applications, but payments cannot be backdated beyond the month of application.

Further information can be found on the 16-19 bursary pages on the DirectGov website www.direct.gov.uk and on our own website www.brineleas.co.uk

Application forms, together with the required supporting evidence (please refer to details overleaf) should be completed and returned to Mrs Denise Court, in the BL6 Admin Office, by Friday 27th September 2019.

I would urge anyone who thinks that they may be eligible, to apply at the earliest opportunity.
